otal Sum e	cample of currency	External double ledger currency
Currenc	type	Receipt of completed task
Materia -		Material
	f currency description of receipt.	Underwriter signing off on release of currency.
	on of tests conducted in environments.	Next steps required for continuation.
	eeds from performing tasks.	Break of relationship confirmation.
value of	completed management of IET in suit.	Value of completed management of IET in suit.
Radio		
	sion details of paid value to a department.	
	wn of payment options and benefits.	Management, testing, and release all validated to release of
Broakae	in or payment options and porome.	a product requiring a value of currency given in receipt of
		goods from a department.
		A department can track their needs of power consumption
		with their income from number of tasks being completed of specific currency values allocated. Increases of severity has
		real consequences against management to provide turn
		around of a task while planning from performances during seasons provides extreme accuracy in number of employees
		within a department.
		Due to different currencies being used between financial
		office and a technical team a financial officer can be brought in-department securing methods of management away from
		centralisation.
		Flight prices internal to a department can be managed according to seasonal effects of work allowing peak rates of
		holidays being bought internally from department
		management of itself as real value.
		Illness or sick leave is paid for from a departments pool of talent allowing for their absence to be made up by paying off
		through internal currency to department in receipt with legal normalities.
		TOTTIANIOO.
		Evolungo vatas from an availanta and a
		Exchange rates from an employee and between employees to department currency are banned by contract due to effort
		and trust in an employee working well within their team and their trust in management.
		Childcare and social upkeep for a person can be provided
		as long as subscriptions to their value in office are
		maintained by their credit rating internal to a department.
		maintained by their credit rating internal to a department.
		Tasks out of work can be supplied as a currency of itself indicating total health of a population while involving others
		Tasks out of work can be supplied as a currency of itself
